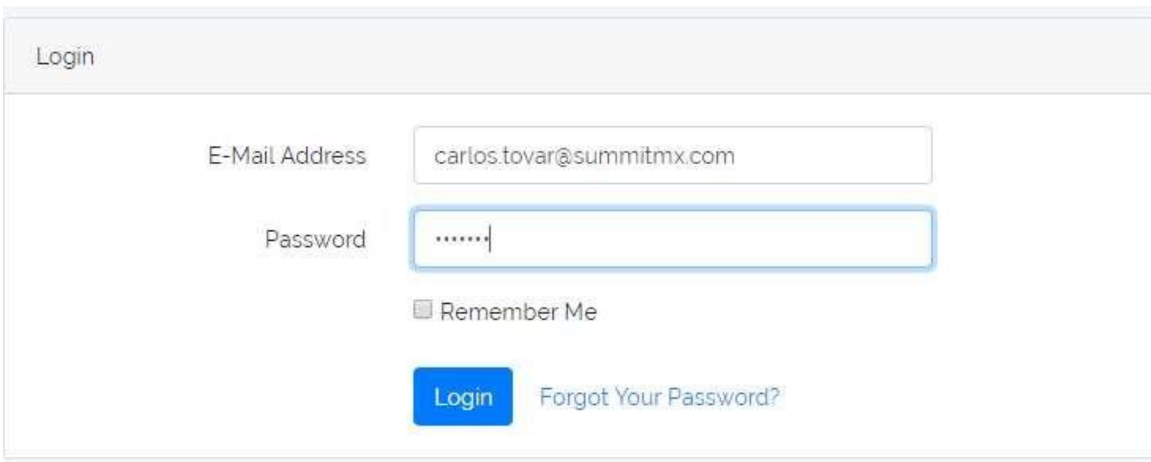
ADViáticos; Manual de usuario

Contenido

1. HOW TO ACCESS TO THE WEBSITE?

1.1. Please following link. http://www.summitmx.com:8080

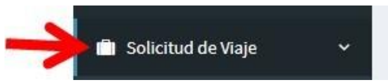
1.2. The following screen will be displayed and the user's e-mail address and password, previously provided by the administrator, will be requested.



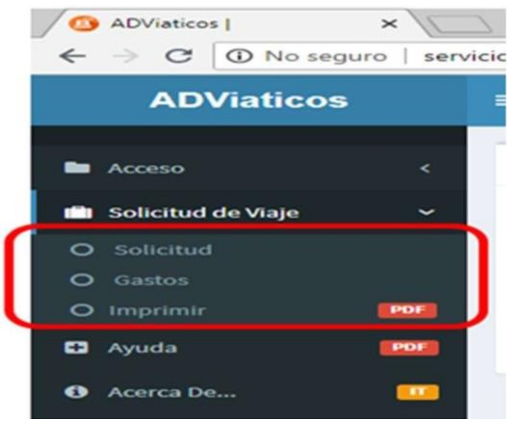
1.3. The following screen will be shown, once there, the user can start the process of filling out the travel request.

2. HANDLING THE WEBSITE

2.1. The menu is located at the left side of the main screen. We will use this menu during the different stages of the process. To start / Open a Business Trip Request, please select the option "Solicitud de Viaje" ("Trip Request");



2.2. A sub-menu will be shown (3 options);



A. "**Solicitud**"; (Business Trip Request); must be utilized to fill up the travel information, and ask for previous authorizations.

B. "**Gastos**"; " (Travel expenses Final Report) ; It is used to input and send to the authorizers the detailed information of the expenses generated during and corresponding to the business trip, and for the upload of fiscal/others receipts as well.

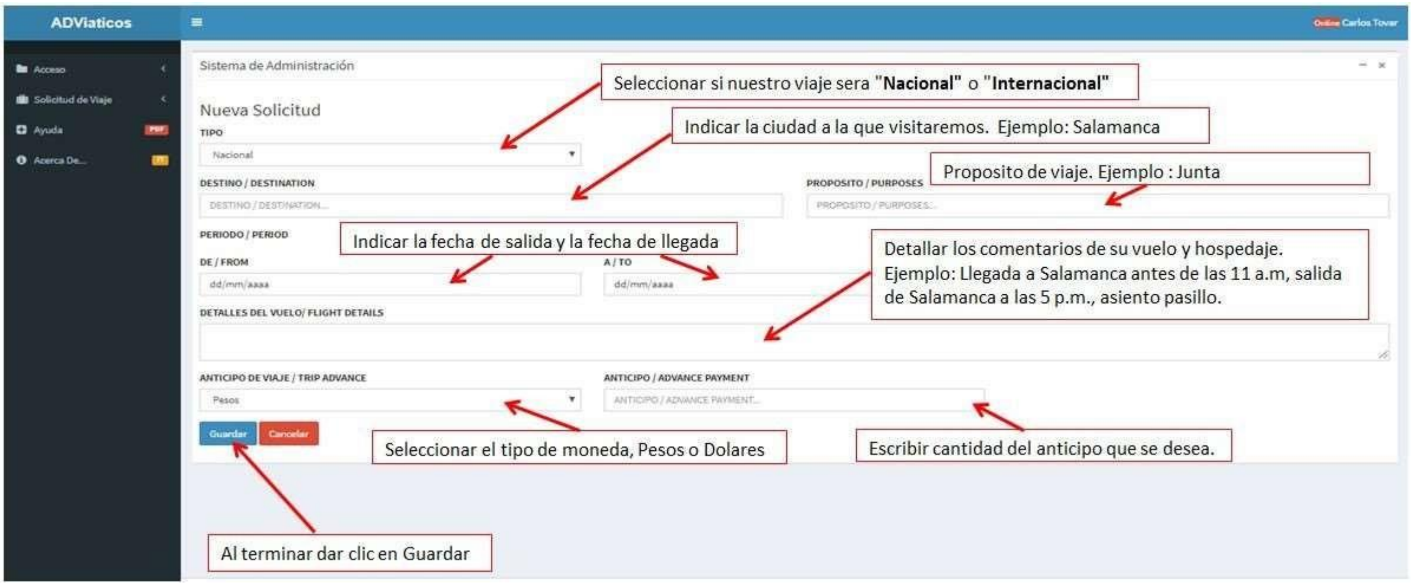
C. "**Imprimir**"; (Printing Business Trip Final Report); It is used to generate the PDF format of the Business Trip Final Report, once it is approved, in order to deliver it to Payable Accounts . (The submitting of the approved business trip final report and the corresponding receipts to payable accounts dept. will be done only during Parallel period)

3. HOW TO ISSUE A BUSINESS TRIP REQUEST

3.1. Select the option "Solicitud" (Business Trip Applicationt) from the submenu "Solicitud de Viaje" (Business Trip request);

3.2. The following screen will be shown, and we click on the “Nuevo” (“New”) button;

3.3. The application form will be shown in order to fill up the trip details. When the information is complete we select “Guardar” (Save) button , or we can use the "Cancelar"(Cancel) button, if we want to discard the request.



3.4. Once the save button is selected 

, the following screen will be shown, at it the user will find that a line has been generated which mentions a summary of the request. If there are modifications to apply, we can use the "Edit" button 

, or we will use the "Confirm" button 

to generate a final information preview.

3.5. Al When the user confirms a summary of the information will be shown , If everything is correct, we will click on the "Send" button (“Enviar”) or use the "Cancel" button to go back.

3.6. Once we press the "Send" button , the system will send an email to the corresponding authorizers, with the information of the request. If the first author izer agrees, he/her will select the **YES** button, or select the **NO** button if he/her decides not to authorize it.

❖ **Example: mail to Authorizer # 1.**

3.7. In case the request is not authorized, the user will receive the notification and will have to conta ct his authorizer to make the necessary consultations and / or corrections.

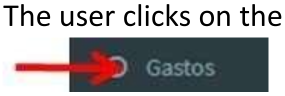
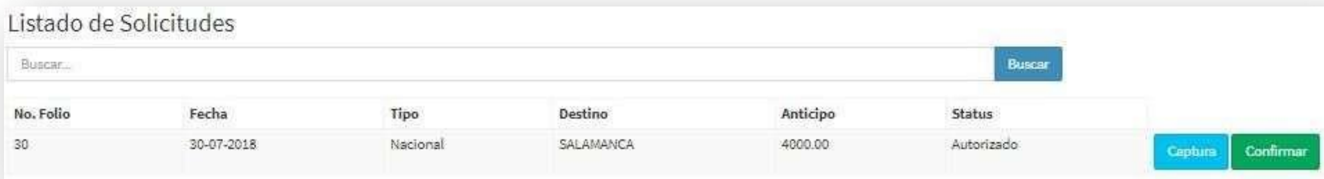
4. HOW TO ISSUE A BUSINESS TRIP FINAL REPORT

4.1. User must log in on the ADViaticos website.

4.2. The user clicks on the submenu “Gastos” from the menu “Solicitud de Viaje”;

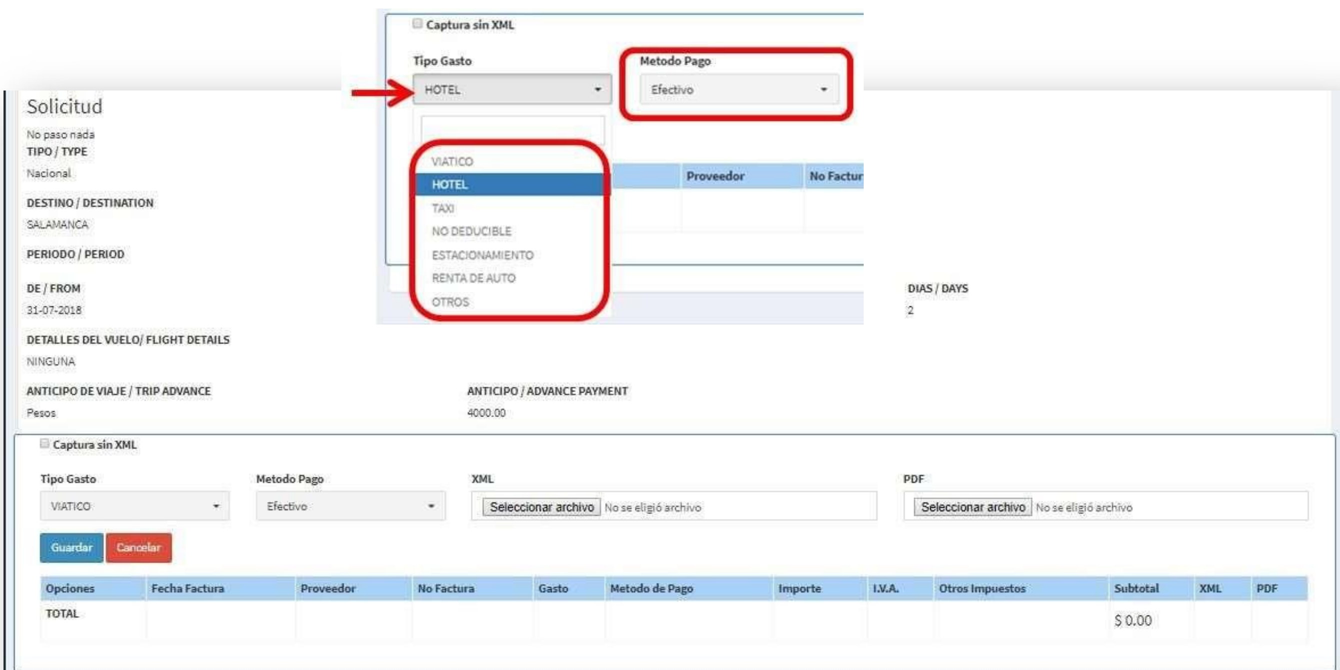


4.3. Next, the summary line of the previously generated and authorized application will be displayed. We will use the "Captura" (Capture) button to start describing the business trip expenses details.



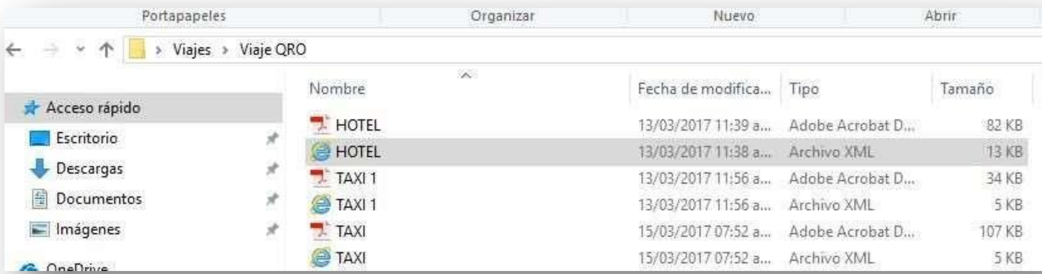
4.4. The user must select the type of expense and payment method from the drop-down lists.

- **For example: a hotel invoice. We select the hotel option and the effective payment method (this will change only if the payment is made with AMEX business card).**

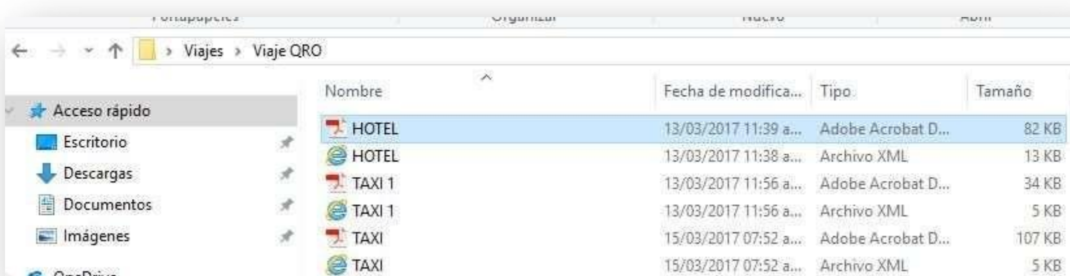


- **Note; In all cases, the "Cash" payment method will be selected, unless the expense has been paid through the AMEX. Corporate card.**

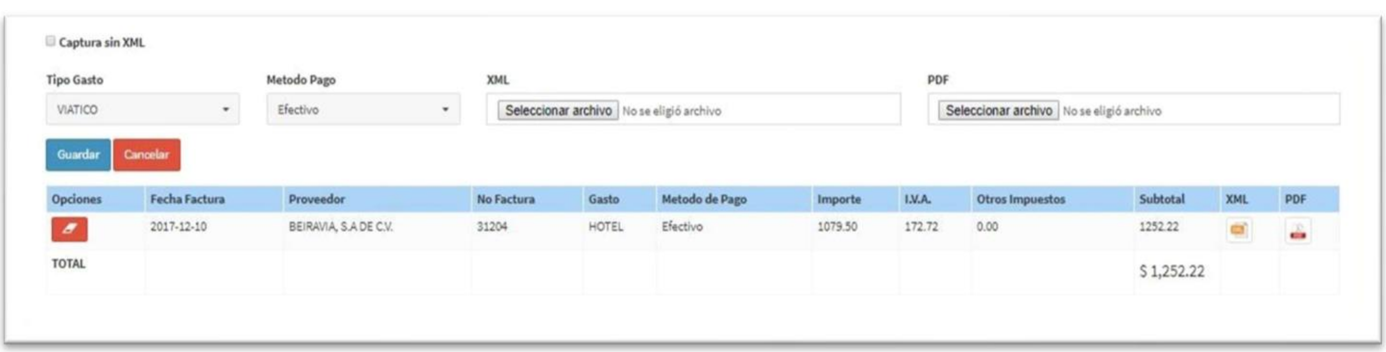
4.5. To attach the XML, the user have to click on the box  e and indicate the route where the document is located, double click on th e XLM and the file will be automatically loaded.



4.6. To attach the PDF, the user have to click on the box  and indicate the route where the document is located, click on the PDF and it will automatically upload it.



4.7. When the user finalize to upload both files (PDF and XML) HE/HER should click on the “ save” button and a line with the summary registration will appear. The user have to perform the same operation with each one of the invoices to be checked.



4.8. For non-deductible expenses, but that the user has a voucher, ticket, blue voucher, etc.; the user will select the check box “Captura sin XML” (Input without XML) and we the screen below will be shown. Then, the user will enter;

*Date of the expense,
*Folio in case of having it.
*Type of expense.
*Payment Method
*Amount.

And will do click on 

to select and upload the PDF of the scanned document.

4.9. When all the espenses are complete, the user can confirm the verification, returning to the main menu and selecting 
or by clicking on “Cancelar”(cancel) from the summary screen where all our expenses are displayed.

Do you want to Authorize the Trip request?

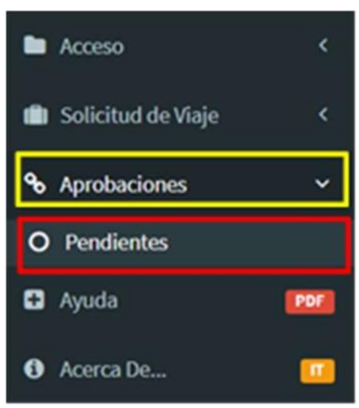
*** Note: the portal will ask you to log in.**

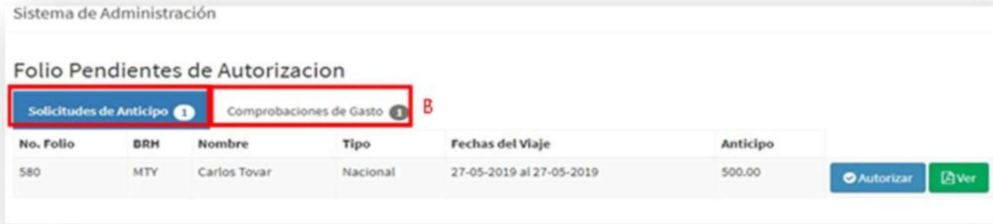
7. HOW TO AUTHORIZE FROM THE ADVIÁTICOS PORTAL?

7.1. We select the "Aprobaciones"(Approvals) menu, then the "Pendientes"(Pending) option.



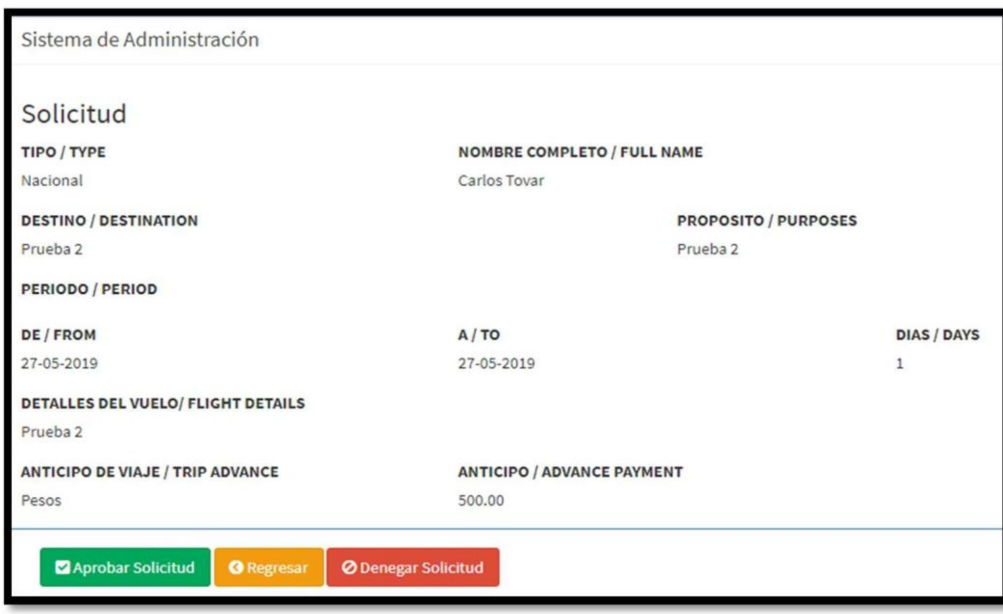
7.2. Next the portal will show two options:

- **Solicitudes de Anticipo**: this option is when the applicant requires authorization to travel and if the case applies an economic advance.
- **Comprobaciones de gasto**: this option is when the applicant requires that expenses incurred during the trip be authorized.

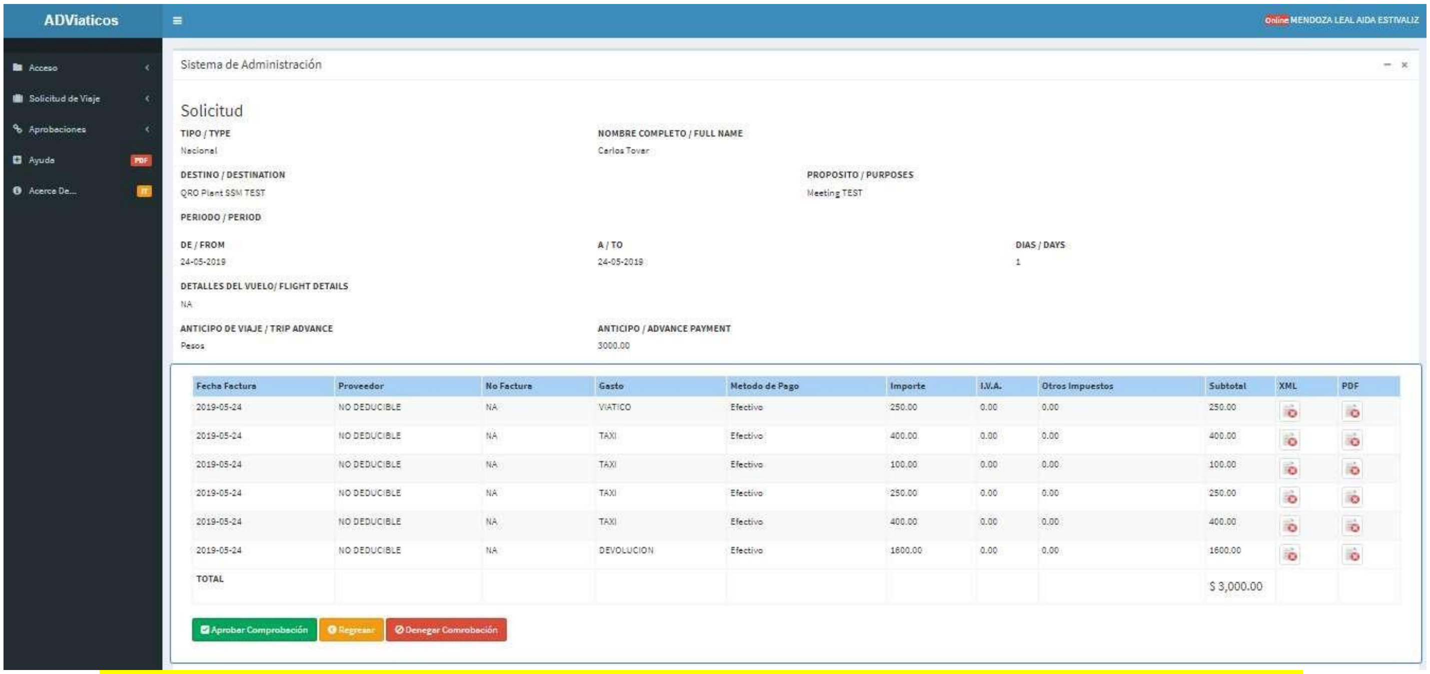


7.3. In the option "**Solicitudes de Anticipo**" " a list of the pending trips to be authorized will be shown. If we want to authorize the trip or see the information, we press the button Autorizar. Followed will show us the trip information and three buttons that are detailed below.

- Aprobar Solicitud The travel request will be authorized and will continue with the following Authorizer.
- Regresar Return to the list of pending requests to authorize.
- Denegar Solicitud Deny the trip.

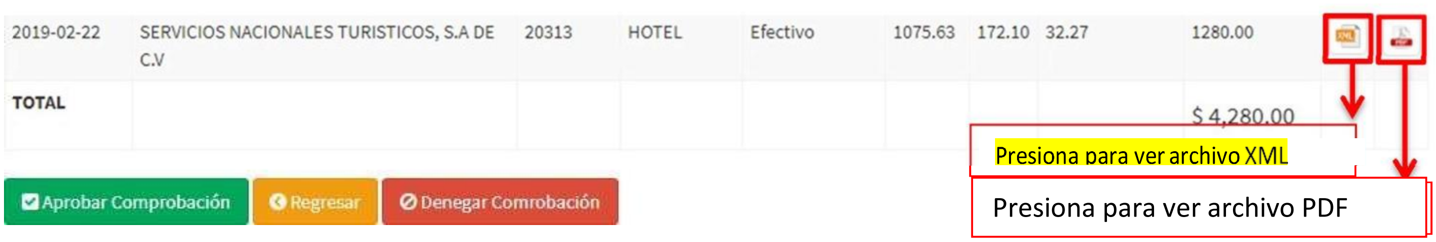


7.4. In the option “**Comprobaciones de Gasto**” " a list of the trips that already have the expenses captured and are waiting to be authorized will be shown. If we want to see the detail of the expenses press the button Autorizar. Followed will show us all the expenses captured from the trip.



Note: We can enter directly to this section from the mail that is sent to our tray, for more information see point No.6.1.

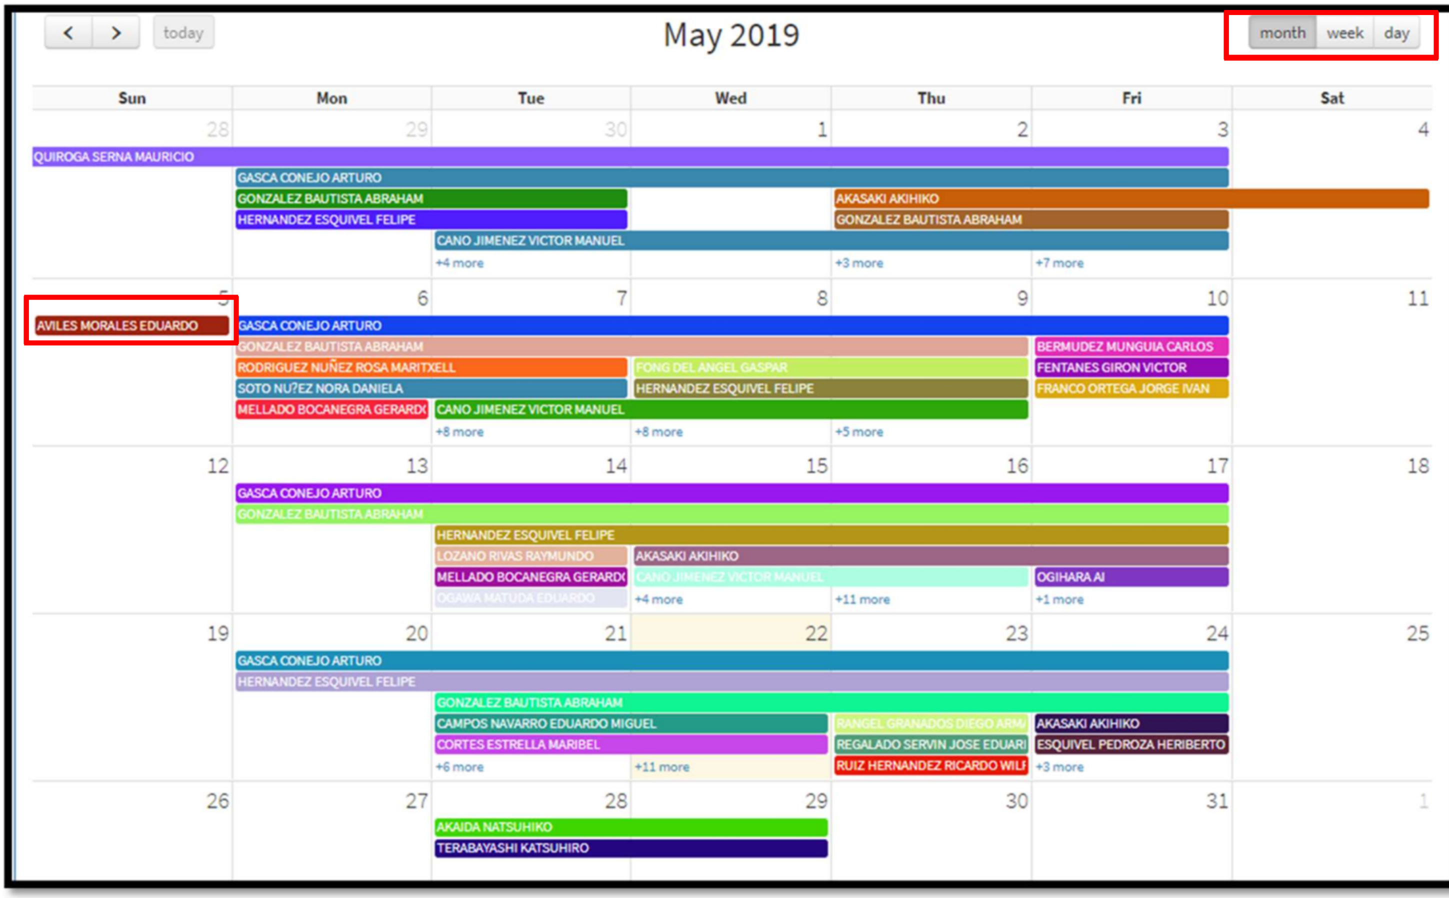
7.5. As we can see, it shows a detail of the expenses and if necessary your digital invoice. Also included are three buttons of which detail.



- Aprobar Solicitud The expenses generated during the trip will be authorized and, if necessary, go to the next authorizer.
- Regresar Return to the list of pending requests to authorize.
- Denegar Solicitud To reject the verified expenses, the applicant must make modifications or clarify the situation.

8. HOW TO NAVIGATE THE CALENDAR?

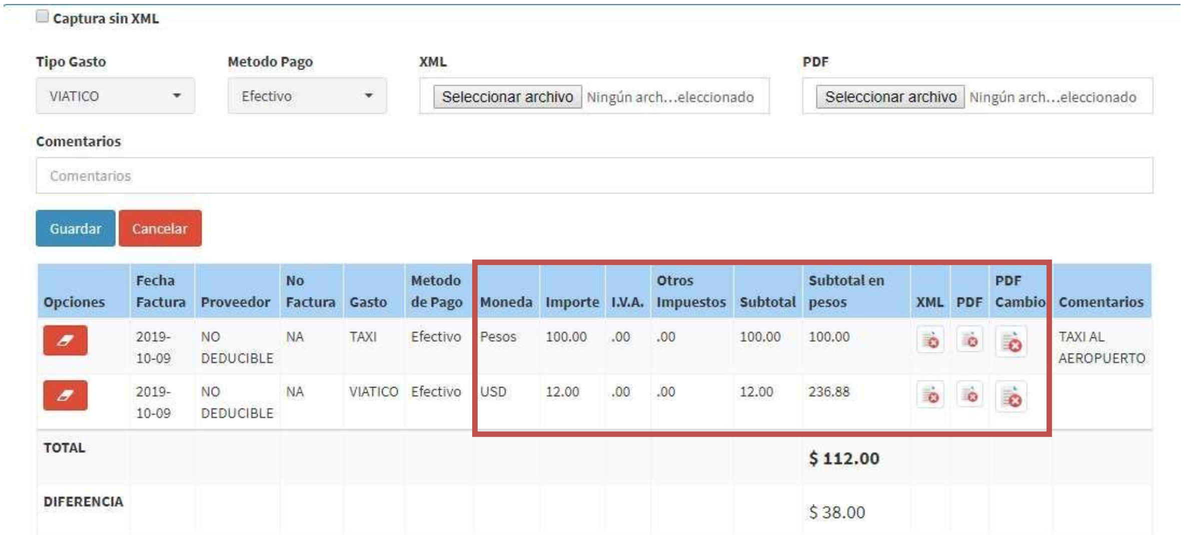
8.1. The Calendar shows an overview of the trips that are scheduled during the month, if we press the name of the person this will show us more information about the trip. The calendar contains view by month, week or day.



9. CHECKING EXPENSES IN INTERNATIONAL FOLIOS

9.1. We open the section of “Solicitud”-> “Gastos” and select our international type folio.

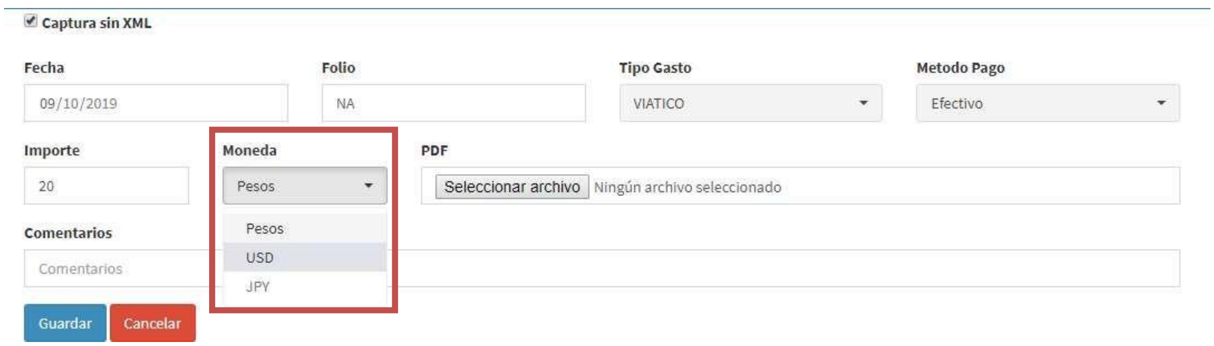
9.2. Once we enter the folio, we will notice that in the table of verified expenses 3 new fields were added.



- "Moneda": The type of currency that was used in the expense.
- "Subtotal en pesos": in case the type of currency has been in USD / Jenes, the amount spent in pesos will be shown.
- "PDF Cambio": Proof of purchase of Dollars / Jenes to make the expenses..

9.3. In the case of capture with xml, it will continue to be checked in the same way.
The system will automatically detect the currency and the exchange rate that was used for the expense.

9.4. For expenses without xml, a new option will appear: “Moneda”, in which we can select the type of currency that was used in the expense.



9.5. If we select a currency type other than pesos, the following two tabs will be enabled:

- “Importe en pesos”: The total spent is shown based on the date placed. The exchange rate is taken from the page https://www.banxico.org.mx/tipcamb/main.do?page=tip&idioma=sp.
- “Capturar importe en pesos”: In case the amount that is marked is not the same that was spent, we select this option.

9.6. If the amount in the "Importe en pesos" section is not correct, we select the option "Capturar importe en pesos" which will enable us the option to edit said amount and show an option "PDF del tipo de Cambio", in which Proof of purchase of the selected currency type will be added, this is a Required field.

9.7. Once the data is placed, we click on "Guardar" and the information will appear within the table shown above.

Opciones	Fecha Factura	Proveedor	No Factura	Gasto	Metodo de Pago	Moneda	Importe	I.V.A.	Otros Impuestos	Subtotal	Subtotal en pesos	XML	PDF	PDF Cambio	Comentarios
	2019-10-09	NO DEDUCIBLE	NA	TAXI	Efectivo	Pesos	100.00	.00	.00	100.00	100.00				TAXI AL AEROPUERTO
	2019-10-09	NO DEDUCIBLE	NA	VIATICO	Efectivo	USD	12.00	.00	.00	12.00	236.88				
	2019-10-09	NO DEDUCIBLE	NA	VIATICO	Efectivo	USD	20.00	.00	.00	20.00	400.50				

9.8. When we visualized the PDF of the expenses, in the case of the international folio the following data were added:

- **Moneda**: This section will show the types of coins used in the expense, whether only one has been used or has been paid with several types of currencies.
- **Pagado en Efectivo (Pesos)**: The total amount that has been verified converted to pesos depending on the type of currency.

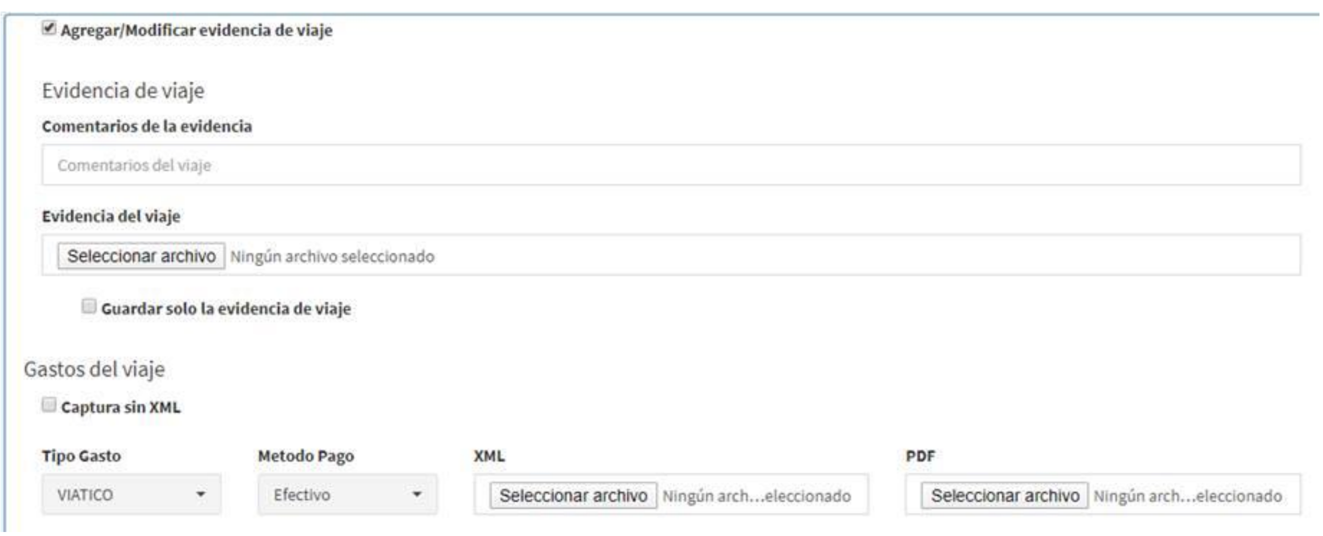
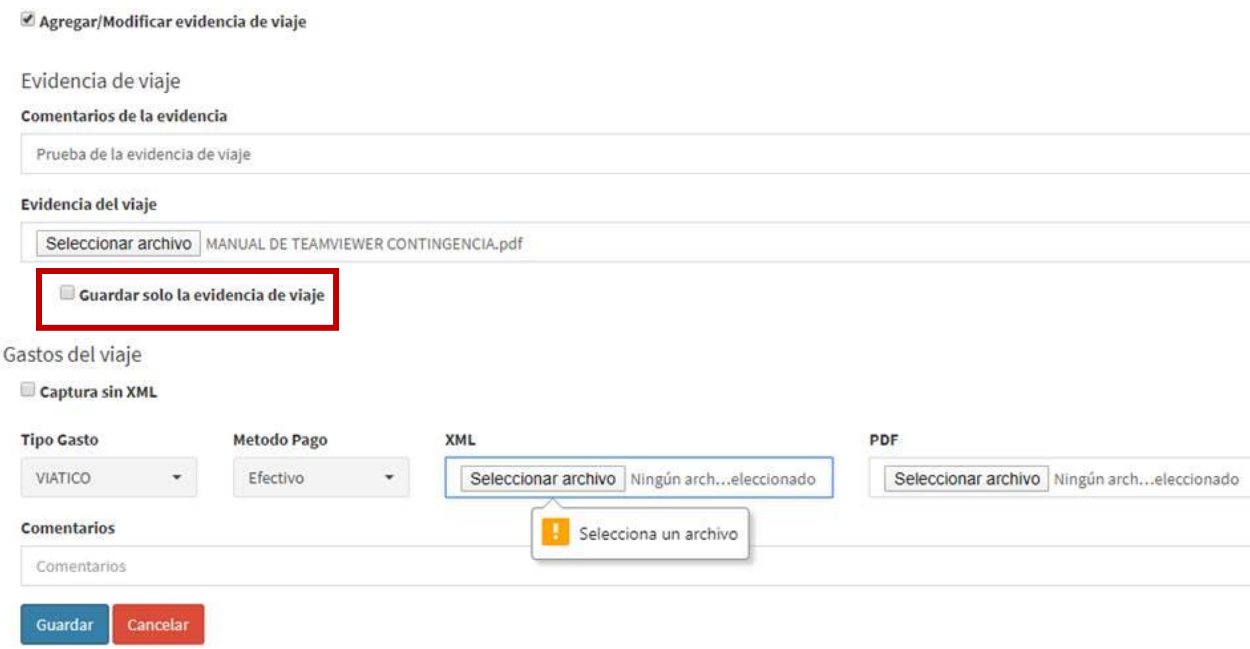
10. ADD TRAVEL EVIDENCE

10.1. The travel evidence is added in the same expense verification form, selecting “Agregar/Modificar evidencia de viaje”.



10.2. In this section the comments of what was done during the trip and a file are placed (for example an email, pdf or document). In the case of the document it is optional to add it.

10.3. It can be added at the same time that an expense is registered or it can be given in the option "Guardar solo evidencia de viaje" and then click on the save option to record only the evidence.



10.4. In case the mentioned option is not selected, it will send a notice that a verification of an expense must be added.

10.5. Once the travel evidence has been added, it will be shown in the next section within the expense verification.
